

## ADVICE FOR VISITORS

Wayne Liquorman's Advaita Talks are held at his home in Hermosa Beach. The address is:

**927-B Sixth Street, Hermosa Beach, CA 90254 USA**

It's located between Pacific Coast Highway and Prospect Avenue. Parking on Sixth Street is only permitted on the north side, and sometimes it's necessary to park up the hill and a block away - allow a few extra minutes for this. The house is at the end of the driveway, behind the front house.

It's about 20 minutes by taxi from LAX airport in Los Angeles, or 50 minutes in rush-hour traffic. If you're driving, take Sepulveda Boulevard (CA-1) south from the airport – it eventually becomes Pacific Coast Highway. Turn left and uphill onto Sixth Street in Hermosa Beach – about 6 miles south of the Airport. Don't be fooled by the numbered streets in Manhattan Beach, which you'll pass through before you get to Hermosa Beach.

There are many hotels in the area, as it is a popular beach town. If you are NOT renting a car, we suggest staying within walking distance of the Talks, beach and shops. Visitors have used the following hotels:

QUALITY INN, 901 Aviation Blvd., phone 310-374-2666, 0.38 miles

The HOLIDAY INN EXPRESS, 125 Pacific Coast Hwy, phone 310-798-9898, 0.35 miles

SEA SPRITE OCEAN FRONT MOTEL, 1016 The Strand, phone 310-376-6933, 0.82 miles [www.seaspritemotel.com](http://www.seaspritemotel.com)

SURF CITY HOSTEL, HERMOSA BEACH, 26 Pier Ave, phone 310-798-2323 <http://surfcityhostel.com/>

distance to Wayne's house is shown with each listing. The Quality Inn and the Holiday Inn Express are the closest to Wayne's and only a short walk to the beach.

The Beach house (upscale, but casual) and the Sea Sprite (motel ambiance with exterior doors and a little pool) are directly on the Strand, the beachfront walkway. Some rooms would have ocean views.

There are restaurants along Pacific Coast Highway near Sixth Street; near Aviation and Prospect; along Hermosa Avenue (between PCH and the beach) near Second Street; and along Pier Avenue (parallel to Sixth but farther north) between PCH and the beach.

If you have a rental car, search online for lodging in the neighboring towns of Manhattan Beach, Redondo Beach, and Palos Verdes, which are all within easy driving distance.
