

SUMMER RETREAT WITH WAYNE LIQUORMAN IN MOROCCO

We hope you can join us for a week-long retreat with Wayne in a beautiful villa in the Moroccan countryside, not far from the sea. The venue is located 46 km from Tangier and 10 km from the charming fishing/art village of Asilah.

The current plan is for there to be satsang with Wayne in the morning from 10:30 to 13:00, however this schedule could change. After lunch there will be free time to visit the area (we are in contact with local drivers who can provide transportation), go to the beach or stay in the villa. There are many shaded areas, sun loungers and a beautiful pool. You are invited to rest, read, chat, contemplate the Teaching or simply do nothing.

Upon your arrival at the Tangier airport you will be met and transported to the villa. If the villa is full or you would prefer to stay outside, we will gladly help you to find alternate accommodation.

The following link will take you to photos of the facility.
