

# WAYNE LIQUORMAN

**London Talks July 1-3, 2022**

Wayne Liquorman (Ram Tzu), author of *No Way: for the Spiritually "Advanced"*, *Acceptance of What IS*, *Never Mind*, *Enlightenment is Not What You Think*, *The Way of Powerlessness*, *Hello My Loves*, as well as the editor of several books by Ramesh Balsekar.

Wayne teaches Advaita (non-duality, literally "not two") with the greatest love, compassion and humour in his unique style that is uncompromisingly direct and intuitive. The in person talks afford an opportunity for communication beyond the intellect, encompassing Heart, Mind and All. Please come and experience Satsang (gathering in Truth) with Wayne.

"Advaita, as it came to me and as I now teach it, is a collection of pointers designed to encourage an investigation into who and what we truly are. I call it The Living Teaching. It is without precept or dogma and makes no claims or promises. It exists only to facilitate a spiritual quest and to keep it open to new possibilities...to help the process of intuitive knowing unfold within you, ultimately bringing more peace to your life through the direct recognition of who and what you truly Are."
